1 microfilm reel. 35 mm positive

No Access Restrictions

Processed by Jessica Steytler June 2003

Copyright: requests for permission to publish material from this collection should be discussed with the archivist or librarian.

Some restrictions may apply.

These records were sent to the Congregational Library in 2003 for microfilm processing. The originals and copies of the microfilm are kept at the Church. The majority of the collection are bound volumes: regular meetings, financial records. "Loose material" describes all the objects stored at the beginning or end of the ledger, but were not necessarily associated with the contents therein.

Item 1: Minutes, 1912-1926
