Creator: United States. Department of the Navy
Creator: United States. Marine Corps
Title: World War I and II patches, undated.
ID: RG5382
Date: undated

Physical Description: .43 Cubic Feet (2 boxes)

Language of the Material: English

Abstract: This collection contains patches worn during World War I and II. While the first written page discusses that the scrapbook was created by members of the "First Church", there is no specific information as to where this first church is located. This collection includes patches from members of the marines, navy, coast guard, army and also civilian corps. Additionally, there is a set of three pins, a german mine ribbon and a campaign ribbons poster.

Preferred Citation

[Identification of item], in the World War I and II patches, undated, RG5382. The Congregational Library & Archive, Boston, MA.

Historical Note

This collection contains patches worn during World War I and II. While the first written page discusses that the scrapbook was created by members of the "First Church", there is no specific information as to where this first church is located.

[^ Return to Table of Contents](#)

Scope and Contents

This collection includes patches from members of the marines, navy, coast guard, army and also civilian corps. Additionally, there is a set of three pins, a german mine ribbon and a campaign ribbons poster.

[^ Return to Table of Contents](#)

Arrangement

This collection maintains the arrangement of the scrapbook by making the five sections into five individual series. Further, the Army forces are split up into three sub-series.

Series 1: Army Forces, undated.

Subseries 1: Ground Forces, undated.

Subseries 2: Air Forces, undated.

Subseries 3: Service Forces, undated.

Series 2: Navy, undated.

Series 3: Marines, undated.

Series 4: Civilians, undated.

Series 5: Coast Guard, undated.
