With new staff, board members, and leadership, the CLA focused on engaging friends, supporters, and donors in FY23. Revamping our annual fund to re-engage with donors, submitting grants to support capital and programmatic needs, and revising our communications strategy to ensure promotion of our programs began almost immediately upon Executive Director, Kyle Roberts' arrival in September 2022.

Working closely with the Board of Directors Development Committee, Roberts and Communications Manager, Lauren Lemley, saw their efforts result in a significant increase in fundraising totals over the past three years.

We are delighted to highlight the institutions and individuals who contributed to the Congregational Library & Archives over the past year and look forward to adding many new names to this list in the year to come!
