## EXPLORE CHURCH MEMBERSHIPS

In addition to individual memberships, the CLA launched a new church membership program this year that provides a number of institutional benefits for Congregational congregations. With our wide range of virtual programs, in-person workshops, and region-specific research tools, membership can enhance your church's annual program offerings.

If members of your community are visiting Boston, we offer in-person group tours and workshops focusing on church record preservation and stewardship. In addition, our genealogical resources and community histories can build a greater sense of belonging and understanding of your church's place within the larger Congregational story. Find out more at [congregationallibrary.org/membership](http://congregationallibrary.org/membership).
